Annual Cookie Class a Smashing Success!

The annual Christmas Cookie Baking Class has become a wonderful event to help feel the Holiday season and connect with the Czech/Slovak roots, then to bake traditional cookies. Because of how popular it has become, this year Sokol SF held two sessions!

The mood was cheerful and everyone was excited to bake these delights. We made snowmen, gingerbread, pracny, linecke and cookies filled with delicious mocha or vanilla fillings.

And then to our surprise, Mikulas showed up bearing gifts for those little children who are good through the year. And what's most amazing about this Sokol event is that the joy kept on giving as we ate our cookies up until the day of Christmas/Vánoce.

- Helenka Livingston

A Gathering to Sing Christmas Carols Warms Attendees' Hearts

On December 21st, a group of Sokols and their friends gathered at the residence of Lea Bronec in San Carlos to sing traditional Czech and Moravian Christmas carols, accompanied by a skilled guitar player.

In a festive mood and friendly atmosphere with delicious refreshments and Czech Christmas cookies the party extended till the late evening.

We hope this restored tradition will continue in the future.

- Jara Dusatko

INTERESTED IN JOINING SOKOL SF?

Would you like to join Sokol SF and take advantage of all the wonderful benefits members have?
Do you have ideas for the types of events and gatherings you'd like to participate in?
