ZPRÁVY SOKOL SF | MARCH 2020

Sokol San Francisco Dances into the New Year in Style!

Sokol San Francisco started off the New Decade of the 2020's with a flashback to the 20's....the Roaring 20's that is! Sokol SF decided to add a twist to make our Dinner/Dances even more fun by adding a theme, and it worked!

On January 11th, following our Annual Meeting, we had a sold out crowd of 75 Sokol members and friends who started off the evening with a delicious dinner buffet filled with tasty choices such as braised short ribs and herb crusted chicken breast.

Once the music started, the dance floor was full. To add to the fun, Anastasia Heroldova, a dance instructor who happens to be of Czech heritage, taught us the Charleston. We tried practicing our newly acquired Charleston dance skills until the Snake Dance, led by Daniel Teyrovsky Livingston, who took the crowd through the tables and hallways so we could all end up on the dance floor to match up for the "Chicken Dance." We all got our exercise that night!

And later, we finished the night with a raffle sending many home with prizes such as chocolate delights, Czech beer or champagne, to continue to celebrate the New Year.

The evening was such a success that Sokol SF decided to carry on with a new theme for our Spring Dinner/Dance. Don't miss out, join us for fun and festivities on May 16th, when we will feature a "60's or Beatles" theme. Show up in your finest dance clothes or stylish "go-go" boots or Sargent Pepper outfit. Hope to see you there!
